*** Most regional spending plans submitted to the state identified both eligible seniors who could be served with the current available funding, and additional seniors eligible for services beyond what could be covered by their share of the \$2.9 million. In cases where the unfunded number of seniors and/or dollar figure of unmet need in the county equals 0, efforts to identify additional unmet need in that county may be ongoing.**

****The spending plan for the Lowcountry region (Beaufort, Colleton Hampton and Jasper counties) includes \$130,000 for home repairs and modifications region-wide that is not reflected in the county \$\$ figures.**
